Lutheran Services in Iowa stands beside Iowa's most vulnerable people, fulfilling a promise to respond to the love of Jesus Christ through compassionate service.

At LSI, we partner with children, families, people with disabilities and people of refugee status – working with them to create positive outcomes in their lives. We help people in times of need, advocate for dignity and social justice for our neighbors and strengthen communities across the state.

Through LSI's wide range of programs and services, children, families and individuals experience the power and healing of Christ's love.

**Build futures for our youth.**

LSI's Bremwood and Beloit Residential Treatment Centers provide mental health services to children ages 5-18 who have emotional and behavioral disorders.

**Open doors to opportunity.**

LSI's refugee community services help families build self-sufficiency through language classes, elderly outreach and work readiness courses.

**Find safe homes for kids.**

LSI is a lead agency in Iowa KidsNet, a statewide collaboration of agencies that recruits, trains, licenses and supports families to foster and adopt Iowa children.

**Prevent child abuse.** LSI's early childhood programs prevent child abuse and build healthy families.

**Keep families together.**

LSI programs help families in crisis, such as parents who may be at risk of losing their children or kids getting in trouble at school.

**Support independence.**

LSI supports people with disabilities through community living services and respite care.
